**Product Description:** Grounded in familiar elements, the Drew & Jonathan Home Summit Mirror exudes warmth and a sense of home through its natural oak veneers and classic framed design. Built to last a lifetime, it is crafted with quarter-cut white oak veneers and rubberwood solids. Easily affixing to its dresser counterpart, the rectangular Summit Mirror adds an extra touch of transitional flair to your space. Mix and match the Summit Mirror with other pieces in the Summit Collection for perfectly coordinated bedroom style.

**Collection Features:** Drew & Jonathan Home embodies the sense of home hosts of HGTV's "Property Brothers" Drew and Jonathan Scott have felt through every step of their journey—a reflection of their experiences, designed for yours. The Scott Brothers' designs are shaped by their past and present, inspired by the places and people who make them who they are. These pieces represent the guiding principles in their work: Quality craftsmanship, inspirational design, and a desire to improve your everyday life. With casual and refined styles that seamlessly fit into your home, you can focus on what matters most: making memories of your own. The Drew & Jonathan Home Summit collection offers classic profiles inspired by Drew and Jonathan's childhood in the shadow of the Rockies. Warm, brown oak veneers pair with panel details and aged bronze-colored hardware to give depth and grandeur to each piece. The result: long-lasting, generously sized pieces that create the ideal atmosphere for family and guests to enjoy each other's company over a holiday meal or a weekend reunion.

**Material:** Oak Veneer and Mirror

**Frame Construction:** Drew & Jonathan Home uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Cleaning Information:** L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
