## Barton Credenza with Doors - GCo211

### PRODUCT SUMMARY

Collection: Any Finish, Any Size, Guy Chaddock, US Made

Features: When Guy Chaddock was founded back in the 1950s, TVs and hi-fis were fitted in case pieces. Oh, times have changed. Barton is designed to accommodate a 70-inch flat screen TV and pair with the Metro bookcase. Together, they are a complete and aesthetically pleasing 21st century media solution. We know Guy Chaddock would approve. Four adjustable wood shelves inside, two behind each pair of doors that have polished nickel tab pulls. Available in Maple or Oak and customization is possible.
