

P3200 SERIES RANGE HOOD

Enhance ventilation and capture the ultimate chef's experience with our latest design, the P3200 series range hood.

Experience...

REMOTE CONTROL

- Easy to operate
- Optional automatic 5 minute shut off timer

EASY CLEANING

- Dishwasher safe commercial baffle filters
- Functional design is easy to clean. Eliminates grease traps
- No unsightly screws to clean around

QUIET OPERATION

- Rubber-mounted motor & large, squirrel-cage blowers reduce sound and vibration
- 3-speed motor control reduces blower and air movement sound
- Large, oversized filters reduce air movement sound

ENDURING QUALITY

- Internal motor models deliver 390 CFM (code compliant), 600 CFM, or 780 CFM
- Commercial grade stainless steel (#304 grade with #4 brush finish)
- Two oversized 12" x 14" stainless steel baffle filters improve performance; three on 48" model
- Two LED lights brighten cooking area; three on 48" model
- Performance tested for CFM

DISTINCTIVE DESIGN

- Style complements ALL kitchen designs
- Simplicity of design preferred by home owners and builders
- Recessed controls and LED lights. Buttons and light glare hidden from the front
- Electronic touch controls with blue LED back lighting, with NEW REMOTE CONTROL
- Trade-Wind® logo is discretely located on bottom of hood. Can be paired with ALL range models

EASY INSTALLATION

- Installs easily in standard size cabinet openings
- Exhausts out the top with a 7", 8", or 10" round discharge opening (size of ducting is dependent on blower CFM specification selected)
- For Installation Instructions, visit us on the web at twphx.com

P3200 SERIES

P3200 SERIES RANGE HOOD

Duct Cover (included for ceilings from 8' to 10')

*Please note that measurements provided reflect the bottom of the hood being 30" above the stove.

Duct Cover (sold separately for ceilings from 10' to 12')
