## Bruno Ottoman - BJD22171-0

### PRODUCT SUMMARY

Collection: Any Finish, Any Size, US Made

The Bruno Ottoman is an adaptable piece that can stand on its own as a small bench or be used in combination with the Bruno Chair. Understated aesthetics mixed with bold lines make this modern ottoman handsome and functional.

Features: Consider upholstering the ottoman with a single fabric, or two-tone the fabric with a contrasting material on the sides. The clean plinth base at the bottom of the arms creates an eye-catching shadow-line that can be done in your choice of stained or painted finish. This piece is customizable.
