

# BOTANICAL PLANTER

VZ-1029-24

You've got to vibe with your plants. We water them, nurture them, sometimes we may even play music for them – but also, we've got to make sure our plants thrive. Give your plants a happy home with Botanical. Au naturel with little brushed stroked prints of white, we picture this little beaut on a window ledge soaking up the vitD. Watertight with a handy tray included, this ceramic delight also comes as a size up.
