Ingrid Accent Chair Off White

Classic lines, modern comfort. Ingrid nods to Arts & Crafts design with turned legs and a solid acacia frame, then makes it easy to live with through an off-white upholstered seat. A higher back and generous arms create a supportive, lounge-ready posture, while foam-and-fiber fill keeps the feel comfortable and relaxed. The look is warm and grounded, but still airy enough for smaller spaces—perfect for reading nooks, bedrooms, or an extra seat that feels considered.

- Arts & Crafts Notes: Higher back, generous arms, and turned leg detail bring classic character that feels grounded, not fussy, in modern spaces.
- Easy Off-White Upholstery: 100% polyester fabric in an off-white tone keeps the chair feeling light, and it pairs smoothly with wood, metal, or color.
- Solid Acacia Frame: Built with a solid acacia wood frame for a sturdy foundation and long-lasting support, with visible craftsmanship in the turned legs.
- Cushioned, Supportive Sit: Foam and fiber fill creates a comfortable seat and back with gentle resilience, ideal for longer lounging and everyday perching.
