

PRODUCT SPEC SHEET

Cuisinart Grill / CGG-306
Chef's Style Tabletop Grill

The Cuisinart Chef's Style Stainless Tabletop Grill is a powerful combination of raw grilling performance and great design. This grill goes from box to burgers in less than 10 minutes with no tools required. Once set up two stainless steel burners combine for a total of 20,000 BTU's of meat searing heat sparked by a simple TwistStart ignition system. Control your grilling experience with infinitely adjustable knobs and monitor the temperature with the integrated lid thermometer. This grill is constructed entirely of stainless steel for a high quality look and performance you would expect from Cuisinart. The stainless steel grill grate is professional quality and allows for superior heat transfer, cooking and cleaning. Feel free to show this grill off while tailgating or camping as well since this unit travels as well as it cooks. Simply lock the lid down, fold the legs, grab the handle and you're off to grill wherever you please.

- Runs on gasoline, helps you spend less on energy and save more on your bills

Cuisinart Grill / CGG-306

Chef's Style Tabletop Grill

General Information

Manufacturer Part Number	CGG-306
Manufacturer Website Address	http://www.cuisinart.com
Brand Name	Cuisinart
Product Name	Chef's Style Stainless Tabletop Grill
Product Type	Gas Grill

Technical Information

Cooking Area	2 Sq. ft.
Cooking Power	2.93 kW
Fuel Type	Propane
Ignition	Electric
Number of Cooking Elements	2
Features	Thermometer
	Foldable Stand
	Ash Pan

Controls/Indicators

Controls	Knob
----------	------

Physical Characteristics

Color	Silver
Material	Steel
	Porcelain
	Stainless Steel
Form Factor	Tabletop

Height	13"
Width	21"
Depth	18"

Miscellaneous

Application/Usage	Outdoor
Certifications & Standards	CSA

Warranty

Limited Warranty	3 Year
------------------	--------

Item Details

Category	Grills
Color	Silver
UPS Shippable	Y
Shipping Weight	46.4
UPC Code	817096012110
Country of Origin	CN-China
TAA Compliant	N
