## Hayes Dining Table Rustic Oak

Lead with the tabletop—thick, rounded, and grounded. A substantial top with softly rounded edges gives the Hayes dining table a look that reads refined but relaxed. A thick oak-veneered surface sits on solid oak legs, layering natural warmth with consistent grain in a rustic oak finish. A sculptural, open base keeps legroom easy, so chairs slide in without a fight. Balanced proportions stay steady through everyday use. Substance you can feel.

- Thick, Rounded Top: A substantial tabletop with softly rounded edges balances refined lines with an easy, relaxed presence that suits modern dining spaces.
- Oak-Focused Mix: A thick oak veneer over MDF creates a stable top, set on solid oak legs for natural warmth and consistent grain character.
- Open Sculptural Base: A sculptural leg design forms a strong, grounded foundation while keeping the silhouette open, with easy legroom for sliding chairs in.
- Grounded Construction: Substantial tabletop construction feels solid and grounded, with balanced proportions that stay sturdy and dependable through everyday use over time.
