Item Weight: 86 lb

The Arden Pink Vanity is inspired by a 1970s reverse-painted glass antique found at the Paris flea market. The vanity features silver peony reverse-painted glass panels on the top, front, and sides with solid brass trim, hardware, and legs. The pale pink vanity has a beveled top, and drawers with soft-close glides. A beautiful matching vanity mirror is sold separately, and the Arden family of furnishings includes a number of pieces.
