---------------	---------------------

The Gladiator® Flex Cabinet System V is your all-in-one storage solution. These garage storage cabinets include one 30" tall cabinet, one 24" wall cabinet, one 24" 2-door base cabinet and one 24" 1-drawer, 2-door base cabinet. Tough features like welded steel construction and fully-adjustable shelves meet modern design with recessed handles, soft-close doors and auto-return drawers to create a garage cabinet system.

The entire Flex Cabinet System V can hold up to 2280 lbs of evenly distributed weight. Keep items safe with a 2-point locking mechanism on Wall and Base cabinets and a 3-point locking mechanism on all Tall cabinets. Keep your workstation neat using the integrated cable management holes with a protective grommet that prevents wires from getting scratched or damaged.

Top Features

Integrated storage basket system

Heavy duty welded steel construction

Durable powder coat finish that complements other Gladiator cabinets
