

### Description

Leon's flagship Timbre SEVEN bookshelf speakers celebrate a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker features handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters mounted in a solid billet aluminum baffle. The cabinet is handcrafted from 1" solid hardwood butcher-block and hand finished to bring out the natural character of the wood. Ideal for a contemporary two-channel listening room or filling a dedicated space with high-output, theater-quality sound.

### Available Finishes

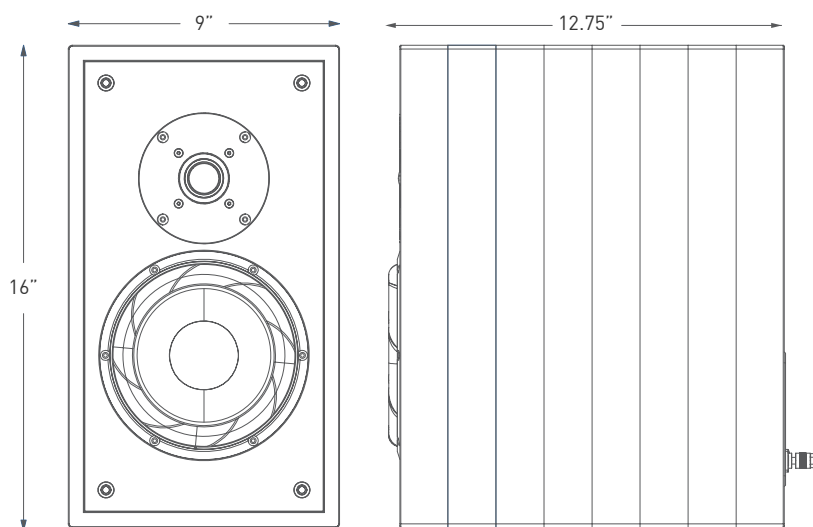

### Key Features

- Handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters
- 1" solid hardwood butcher-block cabinets and solid aluminum baffles provide unparalleled structural rigidity while decreasing unwanted resonance
- Unrivaled high-fidelity sound experience featuring smooth, effortless high frequencies and musical bass that captures the nuances and character of any performance
- Sonically-matched to our Horizon, Profile and Detail SEVEN Series for home theater and maximum design flexibility
- Meticulously handcrafted in the USA

### Applications

- High design media rooms
- Critical two-channel listening environments
- Dedicated home theater spaces
- High-performance Living Space Theater™
