

Clean more dishes in every load with the power of QuadWash™ and the convenience of a 3rd rack

Get dishes clean the first time no matter the load size or soil level. QuadWash™ has four Multi-Motion spray arms that rotate and spin simultaneously to tackle the toughest cleanup jobs. The upper rack adjusts easily to make room above and below, while the 3rd rack is perfect for hard-to-fit items. Plus, LoDecibel™ operation keeps things quiet, day or night.

Cleaning Power

GET DISHES CLEAN THE FIRST TIME

- With four spray arms instead of just two, QuadWash™ uses Multi-Motion arms that rotate back and forth while spinning to power-clean dishes from multiple angles throughout the entire cycle
- Saves the time and headache of having to prewash or rewash dishes by hand

QuadWash™

3rd Rack

A CONVENIENT SPOT FOR HARD-TO-FIT ITEMS

- Holds more items so you can save time and wash fewer loads
- The perfect place for flatware, long-handled utensils or hard-to-fit items like small espresso cups that may otherwise need to be washed by hand
- Adjustable upper rack and customizable tines offer greater flexibility for loading dishes of all shapes and sizes without compromising cleaning performance

LoDecibel™ Operation

SO QUIET, YOU CAN USE YOUR INDOOR VOICE

- Run the dishwasher whenever you want—the whisper-quiet 46 dB cleaning cycle won't interrupt post-dinner-party conversations or naptime
- Innovations like the Inverter Direct Drive™ motor and 3-stage filtration system are also designed for quiet performance

Additional Features

Reliable & Efficient Performance

A CLEAN YOU CAN COUNT ON FOR YEARS TO COME

- Backed by a 10-year limited warranty, the LG Inverter Direct Drive™ motor delivers peace of mind with every load
- Fewer moving parts and no belts means quiet operation and powerful cleaning that uses less energy and saves you money

Different Handle Styles, Same Great Cleaning

SLEEK EXTERIOR LOOKS PLUS A CHOICE OF HANDLES

- Choose the design that matches your style—pocket handle or towel bar handle
- Top controls are easy to see and use when the door is open but hidden from view when the door is closed, for a seamless look that's also easy to clean
- Models with front controls offer quick access to every setting

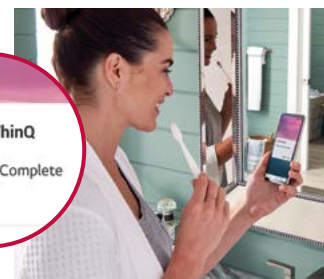

Smart Features

LITTLE CONVENIENCES YOU'LL USE EVERY DAY

- Use the SmartThinQ® app to see how much time is left on the cycle without babysitting your dishwasher
- Get a smartphone alert when dishes are clean and ready to be put away
- Don't lift a finger—check on your dishes with Alexa or the Google Assistant
- Never run out of dish detergent again—Amazon Dash Replenishment Service tracks usage and automatically delivers your favorite detergent right to your door

Dual Zone Wash

CUSTOMIZED CLEANING ON EACH RACK

- Wash delicate stemware and pans with baked-on food in the same load to save time and run fewer loads
- Dual Zone wash automatically sets spray intensity for upper and lower racks independently
- Softer spray on the upper rack cleans gently while the stronger spray on the lower rack delivers powerful scrubbing

Versatile Wash Cycles

CYCLE OPTIONS THAT KEEP PACE WITH YOUR LIFE

- Tackle every load size and soil level with 9 wash cycles and 8 wash options that give you ultimate flexibility
- When you're in a pinch, Turbo cycle gets extra dirty dishes clean in an hour, or use Express cycle to wash lightly soiled loads in just 33 minutes
- For better drying, Extra Dry raises rinse temperature and adds 20 minutes of drying, while Night Dry runs the fan periodically to vent steam while you sleep
