

STREAMLINE™ PLUSH

AIRELOOM®
CALIFORNIA DESIGN · HANDMADE

THE PATENTED AIRELOOM LIFT™

We've pioneered a natural chamber between the springs and the mattress-top that allows every element to breathe. When the chamber meets the layers of plush materials, the bed completely synchronizes with your body. It can only be described as a lift.

Hand tufted design

FABRIC/QUILT

- Ultra-conforming knit with Tencel® and Phase Change material
- Silk/Wool fibers

TENCEL® PANEL

Our ultra-conforming knit panel is made with breathable Tencel®. This panel is eco-friendly and incredibly soft to the touch.

SILK/WOOL

A breathable blend of natural fibers to provide airflow keeps the body cool and dry for lasting comfort.

VISCO FOAM

CertiPur-US certified, it conforms, releases heat rapidly and recovers quickly to its original shape.

AIRELUXE™ FOAM

An incredibly durable and resilient foam which conforms to your body and aligns your spine to minimize sleep disturbances.
