Description

The Hillside Writing Desk is a clean lined desk that adds visual interest with a centered waterfall detail across the top and down the sides in rich grained walnut veneer. The deceptively simple shape can still act as a statement piece and is as functional as it is beautiful. The outer frame section is in ash wood and in a contrasting lighter Linen finish while the center walnut section is in a darker Smoke Stone finish that allows you to appreciate the movement and natural elements of the wood. The Hillside writing desk can work well in all different design styles from contemporary to classic.
