Made in America

The Calico Bay Collection is inspired by the graceful lines of Jarrett Bay sportfishing yachts and the elements throughout. Each piece in the collection has been influenced with nautical visions in mind, but the truth is, the look will appeal to those who appreciate the finer things in life, no matter where they live. Part of our Casual Dining Program, this table is available in dining, counter, and bar heights and is available with round glass and maple tops. The dining table is available with tops ranging in diameter from 36" to 60" in 6" increments. The counter and bar height tables are available with 36", 42", and 48" tops.
