# Theo 1 Drawer Nightstand Berry

Curved and functional—just how we like it. A rounded, sculptural silhouette brings the Theo nightstand into modern and Scandinavian bedrooms, with no sharp edges in sight. Solid oak in a light wire-brushed finish deepens the grain, here in a warm, deep berry tone that grounds the bedroom. One felt-lined drawer glides on soft-close hardware with safety stops, making late-night grabs smooth and quiet. Soft shape, steady function.

- Soft Shape, Clean Look: A curved silhouette with no sharp edges gives Theo smooth lines and a soft presence rooted in easy Scandinavian design.
- Wire-Brushed Oak: Solid oak in a light wire-brushed finish deepens the natural grain, finished in a warm berry tone that reads rich and grounded.
- Made To Last: Solid wood construction gives the nightstand everyday strength and stability, standing up to nightly use and the small rituals of a bedside for years.
- Quiet Storage: One felt-lined drawer rides on soft-close glides with a safety stop, keeping essentials close and opening with a smooth, controlled, quiet glide.
