

# Welt Played

## Caracole

Drawing inspiration from Fashion Week in Paris, the Welt Played chair offers modern styling brought to life with warmth and texture. The autumn colors and material combinations shown by major apparel design houses inspired this chair's tweed, chocolate, and spice combination. Tailored in a gray, menswear-influenced fabric, it features clean lines and linear forms outlined with contrasting welts in chocolate brown. The resulting aesthetic is one of understated sophistication. Collection includes a matching sofa and sleeper with three different colorway options.
