When this substantial framed mirror is attached to the base 6 drawer dresser (sold separately), it offers the perfect place to stage your morning routines. A performance laminate-finished frame ensures that scuffs, scrapes, and scratches are kept at bay, all while seamlessly matching the dresser below. Two sturdy wooden back-of-mirror supports keep the bottom edge flush with the dresser top for an appealing silhouette.

Collection Features: Riverwood has the look and feel of wood, executed in a durable resin laminate. Dark tops contrast with the lighter tones for interest and a modern farmhouse appearance. The headboard features a board-on-board design creating a rhythmic pattern.

Finish Construction: Riverwood has the look and feel of wood, executed in a durable resin laminate. High performance laminate surfaces resist cracking up to 158 F, staining, scratching, abrasion, burns, moisture, impact, and fading.

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
