KLIPSCH DETROIT

PORTABLE BLUETOOTH® SPEAKER

FEEL THE MOTOWN MAGIC WITH POWERFUL SOUND PERFORMANCE

The Klipsch Detroit features dual 1" horn-loaded tweeters for 360° audio while dual passive radiators display deep, resonating bass. The Klipsch Detroit's exceptional engineering provides rich lows and clear vocals for superior audio performance on the go.

PLENTY OF POWER FOR A LONG NIGHT OF RHYTHM & BEATS

This powerful Bluetooth speaker can last up to 20 hours on a single charge. Whether you're kickin' it downtown or cruising through the Motor City streets, the Klipsch Detroit's long-lasting battery has you covered.

TOUGH AS DETROIT, SMOOTH LIKE A GOOD GROOVE

Enjoy IP67 dust and waterproof rating with this travel-ready Bluetooth speaker. The Klipsch Detroit is completed protected from dust and submergible up to one meter for 30 minutes.

BEST BLUETOOTH CONNECTIVTY TECH ON THE MARKET TODAY

Wireless connectivity is a must-have for your on-the-go lifestyle. That's why the Klipsch Detroit features Bluetooth 5.3 true wireless technology for seamless stereo playback. This portable speaker remembers up to 8 devices for ultimate playlist flexibility and control.

CHARGED UP FOR THE MODERN WORLD

Enjoy 18W USB-C charging for fast, effective powering while reverse USB-C charge functionality (10W) lets you pull on some of that energy in a pinch to recharge your smartphone or other mobile device.

BETTER WITH FRIENDS: BROADCAST MODE

Party people, pay attention - the Klipsch Detroit features broadcast mode to allow playback on 10+ Klipsch speakers at once. Just put the desired speakers into broadcast pairing mode while audio is playing and enjoy mono signals being sent to the added devices.

BUILT-IN MICROPHONE FOR CALLS

Plans change, and maybe your evening in has turned into a big backyard bash. You won't miss a beat with the Klipsch Detroit's built-in microphone, allowing you to pause on your music to take a quick call, all without having to search for your cellphone first.

KLIPSCH CONNECT APP ENABLED

With just a tap on your Klipsch Connect app (available for free in the app store), you can custom EQ settings for your ideal bass, mid-range, and treble, receive over-the-air firmware updates, and receive access to support.
