KOHLER

Anthem® Duo | K-37930

Two-outlet bath/shower digital control

Features

- Digital control with large temperature display and intuitive icons
- Precise temperature control for one shower outlet and bath faucet
- Easy-to-grip dial adjusts temperature and cycles through settings menu
- Eight user-definable presets allow you save your favorite shower settings
- Bath preset lets you replicate your desired temperature and fill duration
- Ice shower preset drops showerhead temperature to the coldest level for an invigorating experience
- System warm-up and pause features reduce water waste
- Eco mode limits total flow to 1.75 gpm (6.6 lpm) from one outlet for installations where water conservation or CEC compliance is desired
- Water usage appears on screen after each shower
- Available languages: English, Spanish, French, and Chinese
