## **Gear Mirror**

DM112

Availability: In Stock

## **DESCRIPTION**

Like a lively ball of sunshine, our Gear Mirror will effervesce from its spot on a wall, the iron frame that we have treated to a rustic iron finish only the start of the lively personality this decorative accent will bring to a room. The antiqued mirror it surrounds also exudes vintage flair to make this modern mirror a conversational piece in spaces with stylistic notes from traditional to Boho chic.
