

Aurelius 2 Outdoor Dining Table Black

COLORS: Black

OVERVIEW

Bring the outdoors a little closer. The Aurelius outdoor patio table is the perfect transitional piece for alfresco living. Both durable and eye-catching, this table is made from fiber-reinforced concrete that helps to prevent cracking. Here to give your outdoor dining area a sleek, modern look with two hefty pillared legs and a thick, matte, rectangular tabletop. Ideal for any garden or patio setting, this dining table works indoors as well as a stately, contemporary design.

- Concrete & fiber-mix concrete materials make for lighter-weight, durable outdoor pieces. Still, they are unique composites that will vary in color, pattern & texture. No two items made from these materials are alike & product imagery may vary slightly
- Rectangular tabletop shape with solid pillar legs
- Comfortably seats 6
- Suitable for indoor or outdoor use. Store inside or cover while not in use during inclement weather
- Some assembly required
