

PRIAM

BED | CM7467WH

DETAILS:

This unique two-tone bedroom set is perfect for a young child. The headboard, footboard, and front panels of the case goods all feature slat designs, which offer a bit of Mission style flair. The striking contrast between the gray tops and edges and white frames updates this set into more of a contemporary look. A pullout trundle easily converts to a three-compartment drawer with sleek recessed handles.
