TEMPERATURE CONTROL

A mattress that uses specialized materials to regulate surface temperatures. Enables a more thermo-neutral sleep experience.

GEL POLY-FOAM

The comfort of foam enhanced with the stabilizing and initial cooling properties of gel.

POCKET COIL

A premium coil system featuring individually wrapped response support coils that reduce motion transfer.

ADJUSTABLE FRIENDLY

A mattress compatible with an adjustable base. Controls comfort and support with personalized positions for sleeping, watching TV, or reading. Can also reduce snoring and acid reflux.

FOUNDATION

Standard 9" profile or 5" low profile. Solid wood base that extends the life and improves the performance of the mattress.

MADE IN THE USA

Handcrafted in the USA since 1984.

WARRANTY

Supported by an industry-leading manufacturer's warranty.
