FEATURES & BENEFITS

Air Fry

Cook healthier, crispier versions of your favorite foods like wings, fries and more in less time while saving counter space. High temperature and the convection fan work together to deliver the flavor and crunch you crave with little to no oil.

Large Oven Capacity

Large 4.8 cu. ft. oven capacity is idea for family meals and offers you the flexibility you need to make dishes of various sizes

Self-cleaning

Self-cleaning cycle uses high temperature to power through soils in the oven cavity, requiring only a quick wipe down at the end of the cycle.

True Convection Fan

Even-Heat True Convection provides consistent heating that helps ensure the most even baking.

LCD Screen

Enjoy an easy-to-use clear LCD display and timer that provides maximum convenience with operation tips design.
