

THE LG STUDIO ADVANTAGE: **BUILT-IN KITCHEN**

Design your dream kitchen, with more ways to make it yours

STYLE & DESIGN

ELEVATED DESIGN, AN ARRAY OF CHOICES

LG STUDIO built-ins are all about choice. Go for a single or double wall oven—or mix it up with the versatile combi wall oven. Pair it with a gas, electric or induction cooktop. All with modern, pro-style touches, lasting performance and flush installation for a seamless look.

PRO-STYLE PERFORMANCE

INNOVATIONS THAT INSPIRE

Get your fill with the tall stainless steel ice and water dispenser that can fit just about any container. Master new techniques with wall ovens outfitted with Air Fry, Steam Sous Vide and True Convection. Use the power of TrueSteam® dishwashers for easy after-dinner cleanup.

PREMIUM FEATURES

GO BEYOND THE EXPECTED

Easy moving refrigerator door bins let you quickly adjust for tall items on the fly. Wall ovens with full-color 7" LCD touch screens guide you through menu options with more than 40 auto-cook recipes. TurboCook speed oven heats instantly and cooks up to 4x faster* than a traditional oven.

CONVENIENCE

SMART IS ALWAYS IN STYLE

Connect your appliances via wi-fi and use the ThinQ® app to adjust settings from afar or get helpful notifications on your smartphone. ThinQ Care provides monitoring of key functions behind-the-scenes to protect your investment and keep your appliances running smoothly.**

ThinQ®

*Based on LG internal testing comparing LG combi wall oven LWC3063BD to a conventional LG double wall oven LWD3063ST. **Available on select models.
