75" W x 79" D x 14" H	75" W x 79" D x 13" H

Weight : 327 lbs. | Cube : 23.21 ft

Style: Traditional

Showroom: Sierra Sleep

Division: Signature Bedding

Color: White

PRODUCT DESCRIPTION

For the best sleep position and full relaxation, get the cradling support of this king Euro top mattress and rise to new heights with an adjustable power base with massage. This set assembles quickly and is designed to deliver comfort and a restful sleep. At the core of the mattress: a 638 15-gauge pocketed coil system that's topped by layer upon layer of feel-good comfort, including high-density foam, firm support foam, firm quilt foam and gel memory lumbar support foam for a cooler night's sleep. And for added protection: a luxury nano stain-resistant/waterproof cover and bed bug/dust mite/allergen barrier for peace of mind. Set the mattress on the included adjustable base and with the wireless hand control, you can position it to eliminate pressure points and apply the head and foot massage. Raise your legs to increase blood circulation and relieve pressure on your lower back. Raise your upper body so you can sit up in bed or sleep in a partially inclined position (helpful for people who snore or experience acid reflux). Adjust at neck level to keep your upper body positioned so your spine is aligned for just the right support. You'll also love that this base is app compatible and offers programmable and pre-set positions (Zero-G, TV and Snore). Zero-G lifts your legs for better circulation. The TV adjustment positions your head for cozy TV viewing, and the Snore setting slightly raises your head to help open up airways. For

added convenience, the motion-sensored under-bed lighting is especially useful. As you get out of bed, the floor will become softly illuminated. This base also has two convenient built-in USB ports for connecting electronics.

- Includes Euro top king mattress and adjustable power base with head and foot massage
- Mattress with luxury nano stain treated stretch cover and bed bug encasement
- Mattress has 12" profile; 1.5" firm convoluted quilt foam; 2" firm support foam; 0.5" gel memory lumbar support foam; 1.5" firm convoluted quilt foam; 1" high-density foam encasement; 0.75" high-density base support foam
- 638 15-gauge pocketed coil system; 13 gauge border coils
- Power base in foldable design with adjustable head, neck and foot positioning, all steel frame and adjustable legs
- Adjustable legs allow full height to zero clearance. Compatible with most bed frames; be sure to check your frame's dimensions and weight capacities
- Base is app compatible and offers programmable and pre-set positions (Zero-G, TV and Snore)
- Wireless hand control and 2 USB power ports are included with base
- Motion sensor activated under-bed lighting
- 1-year mattress warranty; 3-year non-prorated power base warranty
- Mattress and power base ship separately in boxes
- State recycling fee may apply
- Mattress conveniently arrives in a box (compressed, rolled and plastic wrapped); please allow at least 48 hours for full expansion
