Mesto Rolling Dining Chair Dark Brown

The Mesto dining chair encapsulates the essence of comfort-driven coziness. It features a well-padded seat that seems to float between an elegantly arched, curved, upholstered frame and a rolling base that can be replaced with included plastic legs to create stationary seating. The arms pay homage to traditional English roll styles with pleated details, blending classic craftsmanship with modern aesthetics, while the soft, textured upholstery adds a gentle, inviting touch to any space.

- Plywood frame with plastic rollers & protective leg glides included
- Package comes with rollers & stable legs, so the chair can be a rolling or stable chair depending on preference
