

ROCCA COFFEE TABLE

ZT-1035-02

Stone simplicity meets dreamy darkness. Made of black cement reinforced with fiberglass fibres and a metal frame, the Rocca collection's elemental designs place the materials center stage. With a monolithic contemporary look, this coffee table's supportive pillars and slab tabletop serve both drama and domestic comfort. Perfect for pairings with plants and accent pieces, combine this table with other pieces from the Rocca collection for the full effect.

- Cement with fiberglass fibres & an iron frame
- Assembly required
