MOE'S

Davie Ottoman Olive

Meet Davie's easiest teammate. This modular ottoman slides in as a footrest, extra seat, or the piece that makes your sectional feel finished. Upholstered in Olive performance-treated polyester, it's designed for everyday living, with PFA-free C0 treatment built in. A plywood frame keeps it steady, while foam, feather, and fiber cushioning adds comfortable give. Pull it close for movie night, then park it anywhere—Davie makes rearranging feel like a design choice, not a chore.

- Low-Key Versatility: The ottoman's simple shape works with every Davie module, adding a visual pause point without stealing focus at all.
- Performance Polyester: 100% polyester upholstery is treated with C0 technology and is PFA-free, helping resist everyday spills without feeling stiff.
- Steady Foundation: A plywood frame and cushioned top create a supportive base that holds its shape while staying comfortable underfoot or seated.
- Slide-In Function: Use it as a footrest or extra seat, and move it anywhere in your modular setup when the room needs a reset.
