Product Description: This beautiful mirrored-back curio cabinet lets you display your collections: a source of pride, accomplishment, and fond memories. Give your cherished belongings the spotlight they deserve with this beautiful locking curio cabinet, fitted with a sliding beveled glass door and locking mechanism for security. Five generously-sized glass shelves can be adjusted into nearly any configuration with top-to-bottom position holes every two inches, allowing you to customize the display to your liking. Along the framed edges, stunning rope-and-block molding frames and flatters the curio's contents, while two-setting halogen top-mounted lights provide an attractive, uncluttered view of your items. This curio cabinet is finished with glass sides and a fully mirrored back that allows you to see your items on display from every angle. A warm honey-brown finish on the cabinet's attractive veneers goes with any decor theme for easy style matching.

Collection Features: With over 60 years of furnishing homes across America, Pulaski Furniture continues its heritage of outstanding value, quality and design. We invite you to explore our accents and display cabinet collection and find the perfect piece to make a statement or complete your vision for any area of your home.

Status: Active

Finish: Warm honey-toned wood veneers highlight subtle details in rope-and-block carved frame

Features: One door

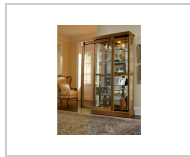

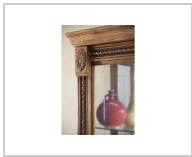

Five shelves

Plate grooves on shelves 1.5-inches from the back

Lock on left side

Material: Hardwoods, Glass

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces.

These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
