

Dusk Accent Table Black

A mix of black and white marble, the Dusk accent table brings together contemporary modern design with minimalism and structure-play. This table is versatile and unique with a stunning white marble base, a brass-finished iron post, and moody grey marble top — the perfect wow factor for your living space.

- White marble cylindrical base, brass detailed iron pedestal & grey marble tabletop
- The use of natural materials means embracing imperfections (such as unusual marble veining, rock striations, textured grooves, and uneven texture)
