Aldan Dining Table

SKU: 25217

Crafted from solid reclaimed oak, this table showcases the natural beauty of the wood's grain, knots, and weathered texture making each piece unique. Its minimalist design lends a timeless quality, making it a perfect piece for any dining space. Solid wood will continue to move with temperature and humidity changes, which can result in cracks and uneven surfaces, adding to its authenticity and character. With two 16" leaves, this extension dining table can vary from 84", 100", or 116".
