Nouveau Tower Sculptures, S/2

SKU: 17124

Inspired by the clean lines and bold feel of modern art, this set of two tower sculptures are handcrafted from natural white limestone with black accents. Each piece is a testament to minimalist elegance, blending sleek geometric forms with organic materials to create a striking visual impact. Perfect as standalone art pieces or paired together. Sizes: S-7x17x7, L-7x22x7
