

# Just A Little Jazz

Caracole

An elegantly fluted wooden urn takes on a jazzy beat when it's dressed with a bubble-glass top. This effervescent small accent table is enhanced by Jazzy Taupe paint that swirls around this petite piece. It is perfectly sized to support a glass of wine or an arrangement of colorful tulips. Each piece of cast bubble glass is unique and the bubbles will vary in size and shape. Some of the bubbles may be open at the surface and not fully enclosed.
