

VICTORIA

ISLAND

COLLECTION SERIES

Victoria, with the timeless elegance of a monarchy, shimmering grace and sparkling gems draw the eye. A marriage of two kinds of light and reflection, create a royal bond and form a stately centerpiece for all to admire and enjoy.

Beneath the glamorous stainless steel and glass crystal exterior is a highly efficient range hood. All possible due to Elica's patented Evolution system.

Victoria offers a 300 CFM blower, halogen flood lamp, elegant ambient lighting and a high efficiency filter system that effectively removes cooking grease, heat, smoke and odours, with only a whisper of sound (.3 sones at speed 1) and does all this without dominating the kitchen or obstructing the glorious views outside.

SPECIAL FEATURES

Elica Evolution: A super-compact ventilation system comprised of miniaturized / finely engineered components, which provide a platform for creating artistically interesting shapes that provide a splash of design and decoration for the room. Not just a pretty face, the patented Evolution system is a highly effective ventilation system, that won't over power the kitchen or disrupt the glorious views to the outdoors.
