CHATTAM & WELLS

The Palermo

FIRM PILLOWTOP

Lustrous Royal Knit

The finest four-way stretch knit fabric finished in a proprietary cooling treatment that creates a spa-like atmosphere to provide the most royal slumber.

Natural Wools

The world's best natural fibers such as Cashmere, Merino and Camel wool provide a natural approach ensuring an ultra-soft lofty comfort that is beyond compare.

Graphite Talalay Latex

Generous amounts of the Graphite Talalay latex are strategically positioned to optimize comfort, temperature regulation, and provide buoyant support in all the right places.

Comfort Coils

The 1386 1" NanoCoil® layer provides unparalleled support that dynamically responds to your body's natural movements for a deep and restful sleep.

Dual Layered Quad-Coil

The ultimate sleep experience awaits with Chattam & Wells innovative dual-layered Quad coil system. Providing a strong foundation of support with its 6" Quad coil, complemented by the 2.5" Quad mini coils that enhance stability and cradling comfort.
