NOTES

Storage console houses snacks, remotes and other personal items  
Two drink holders keep beverages close at hand  
Parachute release on either arm allows sitters to efficiently move between upright and recline positions  
Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort  
Streamlined inset padded armrests have a seamless look and comfortable feel  
Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
Attached back and seat cushions stay right where you want them, keeping you comfortable and your space tidy  
High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline  
Available in over 50 leather options to suit any décor  
Removable back allows for easy lifting and maneuvering through doorways  
Footrest easily lowers when you apply pressure in a downward motion  
Power controls on both arms effortlessly adjust the recline, keeping you comfortable  
USB charging port built into power control keeps devices powered up and ready to use  
Home button returns the headrest and footrest to their original positions with one touch  
Power allows you to smoothly recline to any position.  
A single USB port is included on each power button control on styles with arms.  
The power control allows you to independently adjust the recline and headrest.  
A separate home button returns the headrest and footrest to their original positions with one touch.  
A USB port is included on the power control for powering electronics.  
Zero draw technology only uses power when the USB port is in use.
