The Scarlett Black Tuxedo Ottoman has lines and detailing that were inspired by an antique foot stool. Aimee Kurzner, who designed the black ottoman, updated the classic lines to bring it a chic modern feel. Among the sophisticated design features are geometric adornments in gold leaf and cut-outs in the frame that echo the shapes of these, as well as a stretcher with a square ornamentation where its lines connect in the center. We also offer the Scarlett in black as a club chair and a bench; and as a chair, ottoman, and bench in a racing red finish.
