Certifications & Warranty

18" Wide

Slim and compact design makes this dishwasher perfect for smaller kitchens in apartments, condos, and RVs.

Stainless Steel Tub

Absorbs and retains heat for more efficient drying compared to traditional all-plastic tubs.

Heated Dry

A powerful heating system quickly evaporates moisture to get your dishes dry faster.

Hi-Temp Wash

Uses water up to 160°F to cut through tough, baked-on messes.

Folding Tines

The tines on the bottom rack can be adjusted to hold dishes of various sizes.

Height-Adjustable Rack

Easily adjusts up and down to accommodate taller items.
