Levi Mirror Brown

Not your average oval—and that's the point. The Levi Mirror takes a familiar shape and gives it a playful twist, with a freeform curve that feels contemporary and relaxed. A solid mango wood frame brings warmth and natural grain, while the mirrored glass keeps things bright and functional. The contrast of sturdy wood and fluid lines makes it feel more like wall art than utility. Hanging hardware is included, so it's ready to land exactly where you need it.
