- Description:** Lark Wood 65" TV Stand with Storage in Light Brown
- Long Description:** The minimalist design of this stylish entertainment center makes it an ideal addition in any contemporary space. Crafted from acacia or pine Wood solids and engineered Wood products, it will house audio/video components with ample storage space left over for books and other items. Among its storage features are three open storage compartments just below the top shelf. Beneath that is an open display area in the center with an adjustable shelf and, behind each door, storage compartments each with one adjustable shelf.

Available in white, navy, and a natural wire brush finish.
