

STAINLESS STEEL 30" WALL MOUNT HOOD

JVW0330LS

Signature Features

QUIETER THAN THE LEADING LUXURY HOOD BRAND

Quieter than the Leading Luxury Hood Brand. JennAir® hoods help keep the sound down in the kitchen to create a quieter atmosphere for conversation.

3-SPEED, 390 CFM MOTOR CLASS

Three fan speeds plus a booster option provide a range of ventilation power to accommodate your precise cooking needs. Performance varies based on installation. Resources available at aham.org.

BACKLIT BUTTON CONTROLS

Tactile button controls eagerly respond to your touch, allowing you to change speeds at a push. Each button glows softly when activated.

LED STRIP LIGHTING

Light up the night. Strips of bright, long-lasting LEDs run horizontally along the underside of the hood, illuminating the cooking surface below.

WALL MOUNT HOOD

Wall installation allows the hood to seamlessly blend in with kitchens that follow a more traditional layout.

BOOSTER FUNCTION

Helps clear the air quickly by raising the fan speed to its highest possible setting for 5 minutes, helping to rid the kitchen of smoke and steam.

MODERN T-SHAPE DESIGN

Modernize and elevate your kitchen design with a sleek stainless steel T-shape hood. Each well-crafted system is welded and polished to a seamless finish and features simplified tactile controls for a lasting impression.

STAINLESS STEEL DESIGN

Bask in the glow of luminous stainless steel that brings a timeless and classic, yet modern sophistication to the kitchen.

62K BTU COOKTOP THRESHOLD

This hood is equipped to handle the high heat and cooking power of cooktops up to 62,000 BTUs.
