

HARRIDEN

CHAIR | SM5167-CH

DETAILS:

What an elegant piece, a pastel delight ready to transform any room with its unique flavor. Of contemporary design, a squared back and track arms are outlined by welt trim. But the real highlight is the crush velvet-like appearance that shines in a distressed yet subtle myriad of pink, gold and white hues. Spin around like a boss in the swivel chair or simply kick back and relax in the comfort of this special chair.
