

KINCAID

ITEM # 77-054

ELISE LEG TABLE

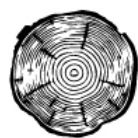

The Elise dining table merges modern lines with the natural beauty of solid Alder. It is one of our most flexible tables, expanding from a 42 inch square to an 82 inch rectangular when using the two leaves. The dining table also features our Kinguard performance finish on the top. This specialized finish provides an added level of protection against moisture and spills to allow time to clean things up.

- Leg Table with two 20" leaves
- 42x42x30 (no leaves)
- 42x62x30 (with one leaf)
- 42x82x30 (with two leaves)
