Noble 10 5 In Vessel Black

Matte black over wood grain — a vessel pared down to its essence. A strong, archetypal silhouette carries the Noble vessel, its matte black finish sitting smooth and velvety over the wood for a considered, hand-finished feel. Horizontal groove detailing around the body nods to traditional wood turning, adding craftsmanship and quiet interest, while a gently flared rim finishes the top with intent. Simple shape, rich finish — a quiet anchor for any shelf.
