BED | FOA7189WH

DETAILS:

Be ready to set the right mood anytime with this tantalizing bedroom set. The main draw here is of course, the ambient LED lighting lining the bottom edges of the platform bed, reminiscent of neon lights of the olden days. Reflecting light beautifully to add to the daring environment, the chrome accents on the headboard match those of the case goods. Finished in sleek, glossy white, this ensemble is a testament to the enduring allure of futuristic settings amped with nostalgic flair.
