CHAIR

SWIVEL GLIDER

CASUAL

CRAFTMASTER

F U R N I T U R E

Description

Wrap-around comfort and a shallow seat depth make this the most comfortable swivel glider we've ever made. The padded back is specifically designed to snuggle you in softness and the Blend Down cushion offers the perfect seat. If you are shorter in stature, you will truly appreciate the scale of this chair! Nail head trim is standard, but also available without nails. Also available as a swivel chair- style 040410BDSC.
