Features:

- Leather Match upholstery
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort
- Features stylish jumbo stitched details along with comfortable contour scoop seating
- The collection features a One-Touch power control with adjustable positions and a Zero-Draw USB port
- Zero-Draw technology only consumes power when the USB receptacle is in use
