

Aphelion 3

Caracole

Gathered columns with a sharply angled, teardrop shape lend a sculptural element and sense of movement to this glass top dining table. When viewed from above, its uniquely designed base appears to emulate a school of darting fish, and from the side, it quickly guides the eye, for a look that shimmers and is visually light. For larger gatherings, a four-pedestal base is also available to pair with our 110" Smoked Bronze rectangle glass top.
